### **Fresh Vine and SecureSearch Announce Partnership Agreement**

Fresh Vine, the intuitive online church management solution and SecureSearch, the online integrated background check solution for churches, have formally joined in partnership to offer online solutions to each other's customers. This agreement includes a commitment to integrate their software so that Fresh Vine customers can order background checks and other services from SecureSearch using links within the Fresh Vine software.

#### **About Fresh Vine:**

Fresh Vine [<http://freshvine.co/>] is online ministry management software that fosters participation. It helps all members of the community to connect and get involved. It supports all ministry and small group activities, including membership, giving, child check-in, services, and ministry/group calendars, events, attendance, and emails. Use the power of Fresh Vine to nurture and grow your ministry.

#### **About Secure Search:**

SecureSearch™ [<http://securesearchpro.com>] provides churches a wide range of specific background checks for a number of different purposes. Whether you require a simple criminal and sex crime background check to ensure basic safety, an easy credit or drug check or a comprehensive check for high-level security clearance type individuals, we can handle it.
