Great Reception for Nonprofit Membership Software at Rise of the Rest

"Seeing all the excitement around Fresh Vine was amazing," Paul Prins shared during the reception following Rise of the Rest pitch event yesterday in Minneapolis. "We spend so much time heads down working. It's so encouraging to see the local community come out and share our enthusiasm for Fresh Vine."

While Fresh Vine did not win the pitch competition - that honor goes to 75 Fahrenheit - there was a strong showing. In seven minutes Paul was able to share the idea, heart, opportunity and state of Fresh Vine.

The whole event was exciting to be a part of. The competition was live streamed online through The Atlantic with people tuning in from all over the country.
